Mission: Statement:

“To Provide Healthcare Service to Adults and Geriatrics in the Comfort of their Home.”

Anchor Inspiration Healthcare

Believes you deserve to have a caregiver who is experienced in providing the services that are needed in your home. Our caregivers have a strong employment history in caring for seniors and have references from reliable sources (previous clients, agencies, healthcare institutions, religious and volunteer organizations etc.). You are the boss. It is our job to adjust to your schedule and to keep you comfortable in your home.. With respect we believe that health is wealth, for this reason, we never compromise on providing high quality services to your family.

Family members can't always be there for their senior relatives, Anchor Inspiration Health Caregivers are always there to step in

Services

We provide a broad array of home care and supportive services through our trained professionals. Our services include:

companionship and care in the comfort of your loved ones home.

Skilled Nursing

These services are provided by Registered Nurses (RNs), Licensed Practical Nurses (LPNs) or Licensed Vocational Nurses (LVNs). It includes health status assessments, teaching about diseases and treatment for clients and families, taking samples for lab tests, wound dressing changes, nutritional counseling, medication training and compliance, wound care venipuncture, ostomy teaching and management, IV management and more

Supportive

These services are provided by

paraprofessionals such as home health

aides and

certified

nursing

assistants.

They include

assistance with bathing, medications and personal care depending on state regulations such as meal preparation, house cleaning, pet care, companion support, and errand running., antibiotics and pain management to many other specialized therapies.
